

Interstate-McBee

Press Release- March 2007

## We are pleased to announce our new California warehouse!

Interstate McBee has moved its Lodi, California warehouse to Montebello, California, and it is now in full operation. The new warehouse is considerably larger and will carry additional inventory to better serve our west coast customers. The phone and fax numbers remain the same.

Now available from Interstate-McBee:

A-8929059 BUSHING, ROCKER ARM

A-8929536 BUSHING, ROCKER ARM

Bushings to service the rocker arm assemblies for Series 60® applications are now available. These bushings are not available separately from the OEM and will allow servicing of the intake and exhaust rocker arms on the Series 60® engine.

A-8929059 BUSHING, ROCKER ARM, S60 (NARROW)

A-8929536 BUSHING, ROCKER ARM, S60 (WIDE)

A-8929430 BEARING ASSEMBLY, BULL GEAR

The tapered roller bearing assemblies are now available to service the bull gear on the Series 60® engine. These bearings require special care and installation. Contact your Interstate McBee sales representative for full details.

A-8929430 BEARING ASSEMBLY, SERIES 60®

# Additional items will soon be available.

®Detroit Diesel, DDEC, Series 60 are registered trade marks of Detroit Diesel Corporation.
