

INTERSTATE-McBEE

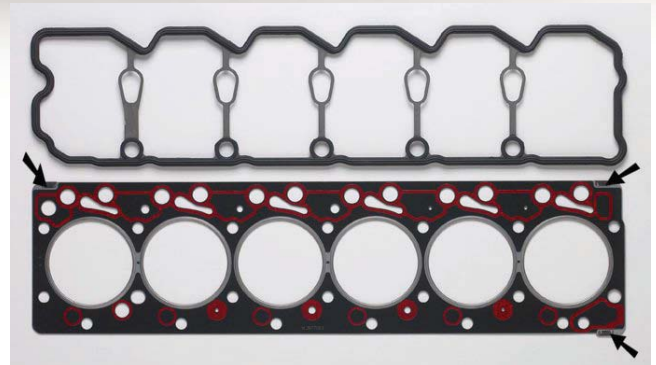

Serving the diesel and natural gas industry for over 60 years.

Product Spotlight

Interstate McBee offers the M-3935878 rocker cover gasket and M-3977063 cylinder head gasket for Cummins® ISB 5.9L engines. The new M-3977063 replaces gasket part numbers M-3945803 and M-3957650. The new design of the M-3977063 head gasket provides for improved sealing and clamp load retention over the previous designs. The new M-3977063 can be identified by the additional third metal compression limiter.

Interstate McBee offers A-23516918 and A-23516919 fuel line check valves for Detroit Diesel® Series 60® engines. The A-23516918 check valve is 3/8" NPT male and the M-23516919 is a 3/8" NPT female. These check valves help maintain positive fuel flow in the cylinder head. Contact the parts professionals at Interstate McBee for exact applications
